A Message from our new President

As you know, John Lichoff has resigned as the association president after 10 years of dedicated and tireless service. Since no apparent successor could be identified, I decided to volunteer during the reunion in St. Augustine in an effort to keep the association viable.

John, Jim Thomas and Raleigh Masters worked so hard and invested too many hours to see the association decline. Further, the association means too much to us personally to risk negative change and the relationships developed over the years since our first reunion in Newport. These are valued more than we could ever express.

Although we could never match John's enthusiasm and energy, we will do our best to ensure that we have many more happy, fun years together. Indeed, we are sincerely grateful and blessed that we will have the assistance and immeasurable contributions of John and Dorothy, Don and Dee Bond and Rita Wood. We would never dream of dealing with this responsibility without their dedicated involvement.

No organization exists without its members being involved. Hopefully, we can depend on all of you in the future as needed to keep this very special group of people united.

We don't wish to wish our lives away, but we can't wait to see you all again in St. Louis.

In addition, we decided to title two people to give them more creditability when dealing with the museums:

John Lichoff, Museum Director
John Cooper, USS Salamonie
Coordinator for the Nimitz Museum
Herb Macintyre, Trustee (to
replace me)

Let me know if you think of anything else.

We hope that you had a Happy Easter.

Thank you very much.

Best wishes,

Chuck Wazenegger

My motto for our association is the following:

“When everybody does a little bit, no one has to do a lot.”

Thanks to everyone who did anything to help me with this first newsletter. The cooperation was inspiring.

John mentioned in the last newsletter that I designed a pamphlet about the USS Salamonie. These were distributed to the people who attended the reunion in St. Augustine. They will also be available at the museum in Warren in July.

If you would like a copy, send me a business SASE (self-addressed stamped envelope 4 1/8 X 9 1/2 inches) and I'll mail one to you.
